

## Toilet Training – Parent Agreement

Child's Name \_\_\_\_\_

Parent/Guardian's Name \_\_\_\_\_

As a family with a child enrolled in the Education Service Center, Region 20 (ESC-20) Head Start program, I understand that my child is eligible for enrollment in the Head Start program even though he/she is not toilet trained at the time of registration.

### Parent / Guardian

1. I agree to provide the school with pull-ups or underwear during the toilet training process. This includes an extra set of clothes to be kept in the classroom.
2. I agree to use a toilet training schedule and process at home as a support to the school staff efforts with my child.
3. I understand that by assisting the classroom staff with toilet training my child, I am helping my child become more independent and increasing their self-confidence.
4. I agree to cooperate with the school district policy and practices regarding toilet training and my involvement as a parent.
5. I agree to share in the child's success and celebrate when he/she becomes toilet trained.

### Head Start Staff

1. We agree to provide the parent/guardian with informational material regarding toilet training practices and to provide the classroom wipes, gloves and disposal bags.
2. We agree to work with the parent to establish a toilet training schedule and procedure while the child is at school that supports the parent with their efforts at home.
3. We understand that each individual child develops at a different pace and that by supporting the child during the toilet training process, he/she will feel more confident and work more independently in the classroom.
4. We will follow the school district policy and practices regarding toilet training and parental involvement.
5. We agree to share in the child's success and celebrate when he/she becomes toilet trained.
